

1. Applicant _____ Phone: _____
Mailing _____ Alternate Phone: _____
Address _____ Other Phone: _____
2. Lakeside Property Physical Address (or) attach legal description: _____

Name of Subdivision _____ Blk _____ Lot No. _____

3. Check one: Applicant _____ owns, or _____ leases the land referred to in item 2

4. Proper name of record on Deed or Instrument #: _____ (Attach Deed and/or specific site surveys)

5. Is leaseback area included in deed or lease: _____ yes _____ no

6. Fee / Type of structure/s to be placed on leaseback property (circle one and/or fill in lines with additional description):
Transfer Only / Transfer with Addition / Boathouse / Dredge / Dredge & Launch / Water Withdrawal / Other

6a. \$35 / Transfer: Transfers with additions can be included as a single permit

6b. \$35 / Boathouse: Attach a site drawing of the shoreline with lakeward extensions showing placement, size and mean sea level bottom elevation at start of Boathouse.

6c. \$35 Dredge: For dredges, provide length, width & depth of dredge. Submit cubic yards of wet spoil and dry spoil (separate). Provide a run off prevention plan.

6d. \$100 per year / Water Withdrawal. Water withdrawal is from July 1 to June 30 by pump with 1-1/2" maximum outlet line.

6d. \$35 / Other: Attach a site drawing of the leaseback / shoreline with proposed structure.

7. For New and/or Additional Construction

A site meeting is required for all permit applications. After receipt of payment by SRA-LA, a letter of authorization to construct will be mailed to applicant.

Permits remain pending for up to 2 years or up to final inspection request.

Permit plates are to be placed on the lakeward side of structure or pump. If existing permit plates are still of good quality only the approved permit application will be mailed. If plates for existing permit have been lost or damaged, a replacement plate will be mailed with approved application.

Permits will remain valid so long as said structure meets reasonable requirements of structure soundness, endurance and appearance.

Owner's Responsibility: Applicant agrees to abide by the rules and regulations of the Sabine River Authority, as well as State, Parish, and Federal laws that are applicable to the Toledo Bend area. For information requirements for contractors, contact the Louisiana License Board at 225.765.2301 or on the internet at <http://www.lslbc.louisiana.gov/about/>. For Louisiana Parish permit requirements, contact local inspectors at SABINE PARISH: 318.256.8929 and DESOTO PARISH: 318.872.0738.

The Authority does not take responsibility for protecting the applicant's property nor guarantee that said property will not be used by other persons in the absence of applicant. It being expressly intended that the Authority assumes no responsibility for the conduct of activities herein permitted which shall be at the sole risk of the applicant. Applicant agrees that in the event any lawsuit or claim is filed, for any reason, naming the SRA, arising out of the issuance of this permit, that permittee agrees to hold harmless, defend, and indemnify the SRA.

I certify that the above information is true and correct to the best of my knowledge.
